# MASONRY STAINLESS METAL ALUMINIUM PVC CERAMIC

Any tradie knows, a job may require the need to cut a lot of different materials; concrete, steel, copper, pvc even timber.  
So which cutting off wheel do you use to tackle such tricky situations?

**THIS WHEEL!** Flexovit Multi Material is developed as **THE** solution for this often difficult situation encountered by trade professionals every day.

This is the **ONE** wheel to keep in your toolbox, able to get you out of that head scratching situation and eliminates constant tedious wheel changes for those quick jobs here and there.

Available in  
**25 Packs**

## CUT IT **ALL** WITH CONFIDENCE

| CODE        | SPEC                | PACK | WHEEL CODE    | PACK CODE     |
